Today's Priorities

1. FOLLOW-UP Send follow-up emails to Columbus Massage Center (Dana Greathouse) and SAK Automotive (Scott Kelsay) -- both are due today.
2. OUTREACH Complete research on Nano's Car Detailing and Total Fitness of Columbus, then send outreach. Both have strong website issues and are ready for mockups.
3. REVENUE No revenue actualized yet. Prioritize converting the two outreach-sent prospects -- a single close at $3,500 proves the business model.
4. MARKETING No social media or blog activity on record. Even one post per week builds visibility. Draft a batch of content for LinkedIn/Facebook.
5. PIPELINE Set up Firecrawl authentication and ClickUp .env to restore full briefing capabilities for future sessions.
