WEBSITE ASSESSMENT

The Problem

- **Booking widget is broken** -- customers cannot schedule online
- **Gift card purchasing page does not work** -- no way to buy gift cards online
- **WordPress theme last updated in 2021** -- outdated and unmaintained
- **Mixed content warnings** -- browser shows security issues to visitors

The Impact

- Every failed booking attempt is a customer who goes somewhere else
- Broken gift card page is lost revenue, especially around holidays
- Security warnings erode trust from first-time visitors
